COLUMBUS HIGH SCHOOL MISSION STATEMENT

The mission of Columbus High School is to prepare students to become well-rounded, contributing members of society by providing an academic, social, and ethical environment which promotes success and leads to the desire for lifelong learning. Columbus High School is a Liberal Arts Magnet, which is 100% college preparatory. Columbus High School offers a rigorous academic program designed to serve students who are highly motivated and are seeking a challenging curriculum to better prepare themselves for college success.

BASEBALL MISSION STATEMENT

The mission for the baseball team is excellence without arrogance. We define excellence as being the best you can be on and off the field. Excellence is a never-ending commitment to improve on the field, in the community and classroom. This kind of success is directly linked to the work done by all the people involved with our program, some of whom have never worn a baseball uniform. Our players know and appreciate that the program goes far beyond the coaches and themselves. This is a tradition and culture that has been ingrained in Columbus High for 7 generations. The program has produced 12 State Championships, 8 State Runners-Up, and 33 Region titles. Over 200 scholarships have been offered and 39 players drafted since 1968. We are most proud of the productive citizens that are by-products of the discipline of excellence. The primary reason for CHS' success is good athletes, but more importantly, they are great people. From the school administration, coaching staff, boosters, friends, parents, and alumni, we have a dedicated team that has set high standards where excellence is not only demanded, but expected.

LETTER FROM THE PRINCIPAL

Dear Columbus High School Baseball Supporters:

As the principal of Columbus High School, I am proud to be a part of one of the best high schools and baseball programs in the country.

At Columbus High we have high expectations for our students academically. This is proven through the many state and national accolades that we have garnered and continue to attain. Academics are paramount, but athletics are an important part of our school's mission as well. Student-athletes at Columbus High School graduate prepared to be students or student-athletes at any college/university.

Many former Columbus High Blue Devils baseball players have become successful at the professional level as well as leaders in business, government and education. They continue to be contributing members of society long after they leave the friendly confines of Randy Jordan Field. Blue Devil baseball players go from being leaders in our school to leaders in our community and abroad.

Coach Mathis, and his staff, work to ensure that our student-athletes grow into well-rounded human beings. These student-athletes and the coaching staff embody the beliefs of Columbus High School: Commitment, Honor and Success. Whether it's in the classroom or on the baseball field, the Columbus High School Blue Devils carry on our historic tradition!

Thank you for your continued support of Columbus High School Baseball.

Sincerely,

Dr. Marvin J. Crumbs

Principal

LETTER FROM THE ATHLETIC DIRECTOR

Blue Devils Fans,

The Columbus High School Department of Athletics is looking forward to another exciting year of continued success as it enters the 2020-2021 season.

At Columbus High, I have had the good fortune of working with so many wonderful students who are more than great athletes - they are incredible people! I marvel at how these young men and women are able to balance their academics, athletics, and other school related activities while being contributing people in our communty. Their talent, energy, enthusiasm, creativity, thoughtfulness, and so much more, have provided me with inspiration to be a better person and leader for them in the years to come. The students are the ones who set the "Standard" for Columbus High School Athletics, and I thank you for them.

It is my belief that coaching high school varsity sports is one of the most difficult jobs in education. Coaches are expected to win contests, give everyone playing time, teach life lessons, build a team, and make sure everyone has fun in the process. It is not an easy job or task, and it requires time, effort, and skills that go far beyond the value of their modest coaching stipends. While coaching is challenging, there is no question it is also rewarding, and the CHS coaching staff does their job with extraordinary dedication, and without complaint. My sincere hope is that while I have never expected everyone to agree with every decision our coaches make, that people appreciate the extremely talented and professional coaching staff at Columbus High School. I cannot sufficiently express my appreciation to our coaches, student athletes, supporters, and fans who make the mission statement at CHS a reality.

Pride is shown in so many ways thoughout the sports teams at CHS. Please know that every way you choose to show your Blue Devil Pride -- by donating, buying tickets or merchandise, or following us on Twitter, Game Changer, or Facebook - allows us to become a better athletic department and for that we say thank you.

Sincerely,

Chad Mathis

Athletic Director

2020-2021 GHSA Class AAAA State Baseball Championship

In the first four rounds, the higher seeded team will host. In any round where both teams are the same seed, a "universal" GHSA coin flip will determine the host school (or the designated home team for Game One in a neutral-site final). Exceptions to the scheduled dates may be made with the approval of the Executive Director.

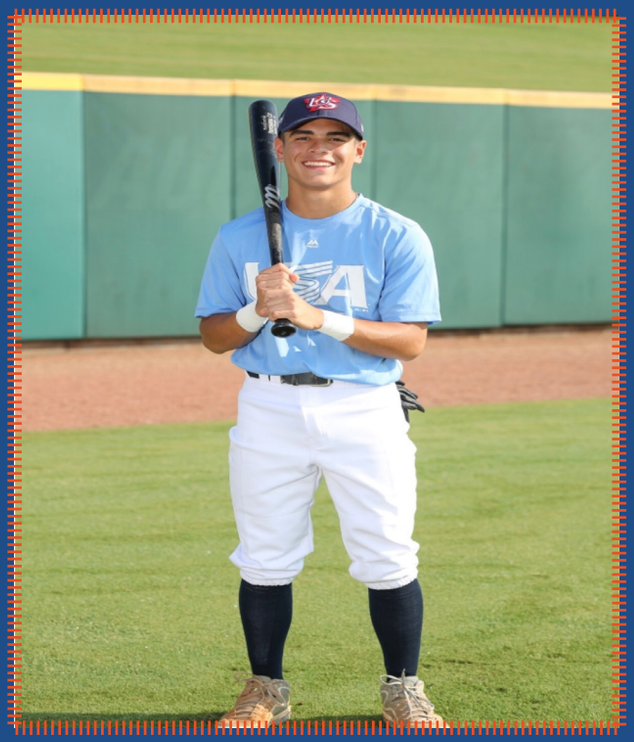
The Legacy continues
this season.....With changes
on the way



Sean Desrosier,

Since T-Ball, we have enjoyed watching you play baseball-hitting, catching, and running like the wind. Enjoy your senior year and play hard.

Marcus Aurelius: The obstacle is the way. The impediment to action advances action. What stands in the way becomes the way.

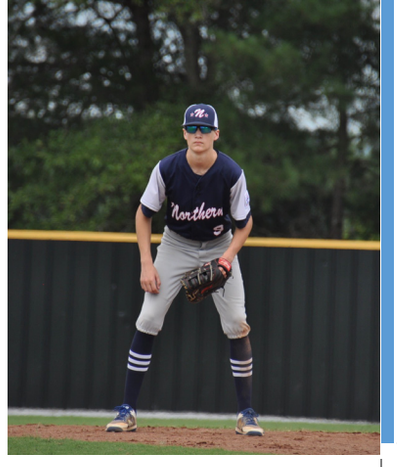
Love, Dad, Mom, Sam, Vaneza, and Jake

Eli,

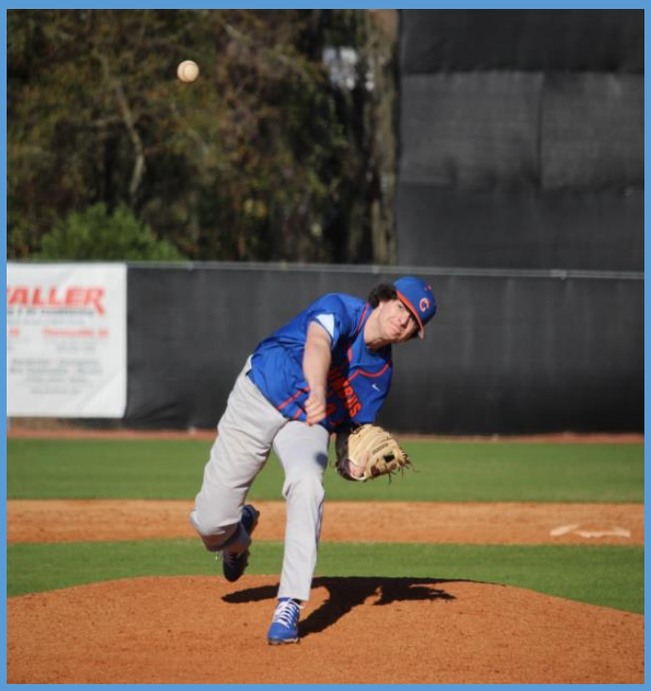
From Germany to Georgia, thanks for all the great memories at the ball fields.

We love you!

Mom, Dad, & Laney



Frank Davis



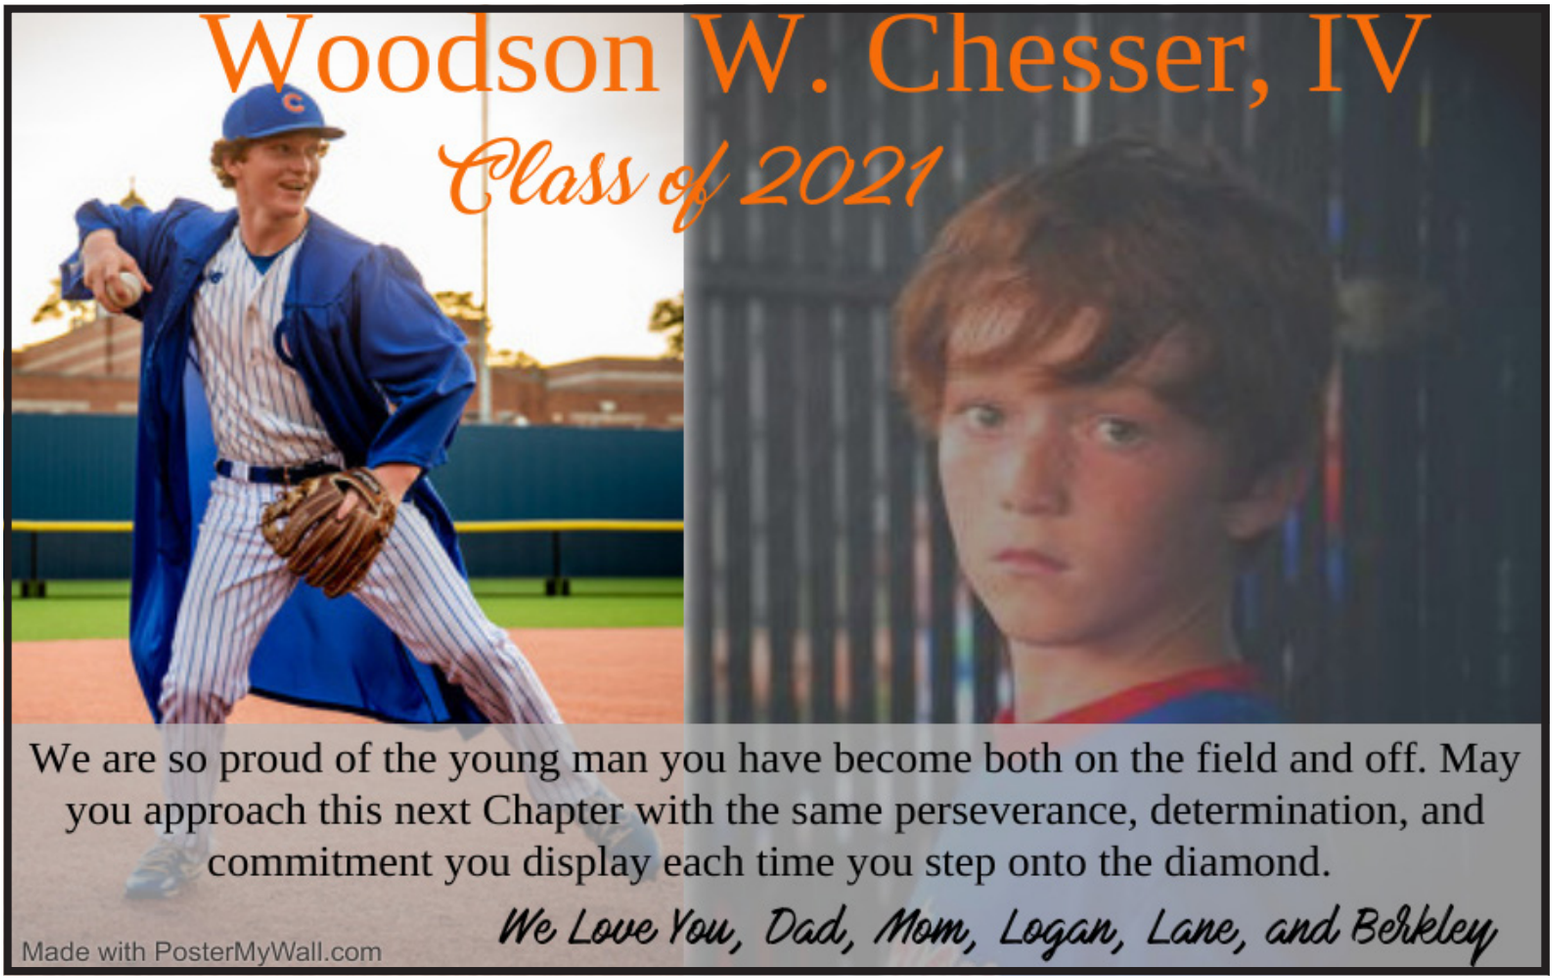
We are so proud of you. The time spent watching you play the game of baseball is truly cherished. As a family, we practically lived at the ball field to watch you and your sister play ball. The memories of games at Northern LL, your dad coaching, all-star tournaments, and the wins & losses were the best times of our lives! Enjoy your senior season!

We love you,
Dad, Mom, & Emily

ZACK WILLIAMS % 2021

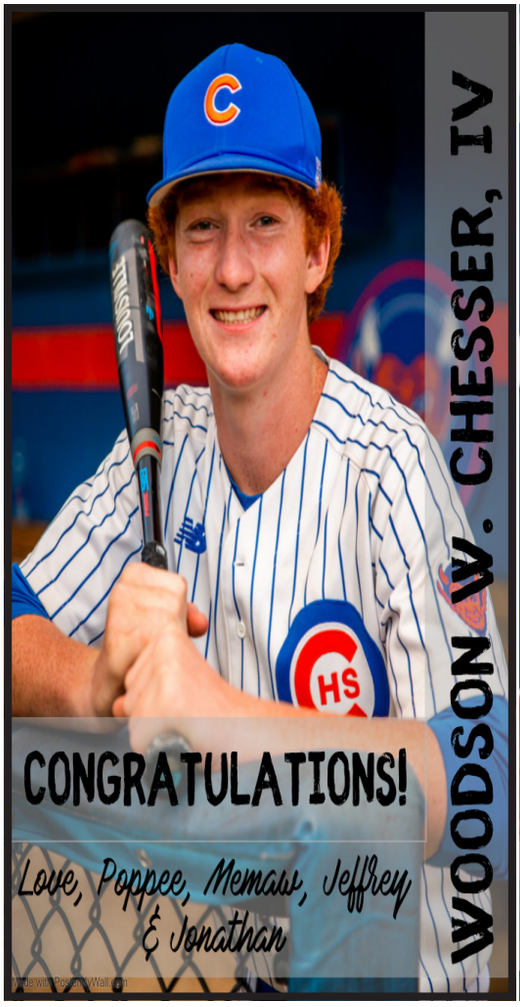
We have enjoyed watching you grow and play since t-ball, through little league, travel ball and then, finally, high school ball. I remember when your only goal as a little boy was to play at CHS and wear those pinstripes. Now here you are finishing up your final season. What a great ride it has been! Lots of fun, sweat and tears. Great lifelong friendships made. Plenty of road trips. Lots of sunburns. But an absolute blast! You have made us all proud. Enjoy every moment this year! You've earned it.

Love, Mom and Dad



Woodson W. Chesser, IV
Class of 2021
We are so proud of the young man you have become both on the field and off. May you approach this next Chapter with the same perseverance, determination, and commitment you display each time you step onto the diamond.
We Love You, Dad, Mom, Logan, Lane, and Berkley
Made with PosterMyWall.com

Congratulations Gage!
We Love You & Are So Proud Of YOU!!
Love, Nana & Pawpaw



WOODSON W. CHESSER, IV
CONGRATULATIONS!
Love, Poppee, Memaw, Jeffrey & Jonathan

Proud of you, Chesserfield!
Love, Pops

Play Hard and enjoy your senior season.
We Love You,
Mom, Dad, Bo and Haze

Peyton,

We first want to tell you how proud we are of you. We have enjoyed watching you grow from a small boy to the amazing man you are today. We loved watching you play baseball for the last 13 years. We can't wait to see what the future holds for you. Aim for the stars, the ball is in your court Buddy!!

We love you,
Dad, Mom and Riley

Jeremiah 29:11: For I know the plans I have for you declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.
